President’s Report
by Thomas Mack

As we enter into the fall season, people are busy harvesting berries, making jelly, jarring fish, smoking salmon and getting ready for cooler temperatures.

This year’s outreach trips by representatives from the Aleut Corporation included visits to Atka, St. Paul, Adak, King Cove, Cold Bay, Unalaska and Seattle. It was unfortunate that most of my Eastern and Western Aleutian village visits were cancelled due to commercial fishing openings, weather and volcanic activity. One very important initiative we are doing this fall is a survey of our Village Corporation executives and board members on how to best optimize our shareholder outreach and informational meetings to make them as successful as possible. If you get a survey, please fill it out. Your opinions are important to us.

At this time of year, we at the Corporation are fully focused on the upcoming October Village Seminar, Culture Night, Annual Meeting and Banquet at the Dena’ina Center in Anchorage. Full details on the upcoming events can be found in this newsletter. This year, we have 12 candidates running for the Aleut Corporation Board of Directors. Please fill out your proxy in a timely manner or better yet, go online to www.aleutvote.com and vote your proxy via the Internet. It is fast and easy. Details on how to vote online can be found in the Proxy Statement, which was mailed to all shareholders’ home addresses at the end of August 2013. Either way, please do your part as a shareholder to help elect three individuals to the Board. I wish all 12 candidates the best of luck. If you have not received your proxy, please contact the election judge, Mickey Hage from Sramek Hightower, at (907) 677-3320 immediately to get a proxy sent to you directly.

This month I’d like to tell you about a great new growth opportunity for C&H Testing (soon to be named Aleut Field Services), our oil well testing business, which up to now has operated exclusively in southern California.

At their August meeting, TAC Board of Directors approved a major capital expansion for C&H to establish a new office in Dickinson, North Dakota, on the edge of the vast Bakken oil field.

As most of you know, C&H tests oil well tubing as it is installed down the well. Each 60-foot section of well pipe is tested to ensure it is pressure tight before being placed down the well bore. With well depths often exceeding five thousand feet, this is a great deal of pipe.

The Bakken expansion is a great opportunity for us for a number of reasons:

• The Bakken fields are new, growing and have yet to approach their full potential. There are currently almost six times as many active drill rigs in the region as there are in our current California market.

• We have existing relationships with many of the companies working in the Bakken that we can leverage for new business. Our strong reputation for world class safety performance is a competitive advantage.

• By expanding out of California, we can reduce the volatility of our earnings. Though work in California ebbs and flows, the work in North Dakota is expected to be more constant.

We have been piloting a project for several weeks with a test rig from Bakersfield. Our next move, working with Aleut Real Estate, is to locate suitable shop space to locate our staff and test gear. We’re also ordering three new test rigs to go with the one that is already there and another we are sending from Bakersfield.

Our growth into the Bakken fields is a good example of how we use our existing businesses as platforms for growth, not just for this year or next, but for generations to come.

I hope to see you at the Annual Meeting, but for those folks who cannot attend in person, PLEASE watch all the events on the webcast via the Internet. Details on how to watch can be found on our website at www.aleutcorp.com.

PRESIDENT’S REPORT

This year our Annual Meeting theme is, “Joining Generations.” As the number of our descendants grows exponentially, we at the Corporation realize the importance of passing on our heritage, our values and benefits of our businesses to our children and our children’s children. Therefore, we are promoting the importance of gifting shares to family members. Our Shareholder Department will have a table at the Annual Meeting to help with the paperwork. For others, the forms for Stock Wills and Gifting Shares can be found on the Aleut Corporation website at www.aleutcorp.com/shareholders/forms.

We hope to see you at the Annual Meeting, but for those who cannot attend in person, PLEASE watch all the events on the webcast via the Internet. Details on how to watch can be found on our website at www.aleutcorp.com.
Chair Report
by Dick Jacobsen

Dear Shareholders,

As the Aleut Corporation readies for its 41st Annual Meeting of Shareholders, I want to take this opportunity to encourage you to vote your proxy. Hopefully you have received, or will soon receive, your Annual Report, Proxy Statement, and Proxy for 2013. If you did not, please contact the Aleut Corporation to ensure you receive these important documents.

Your vote is important. You can vote by mailing your proxy using the provided envelope. You can also vote by going to www.aleutvote.com and entering your Shareholder ID number and PIN, both of which can be found on the name/address label of your paper proxy. You will also be asked to enter the last four digits of your social security number. The electronic proxy will appear with your number of shares and votes, the instructions and the list of candidates. Simply vote your shares and continue to confirm your proxy. Help is available if you run into any difficulty.

Shareholder input in the voting process and at the Annual Meeting helps us to develop the priorities for the next year and energizes our management team and Board of Directors. Good luck to all of the candidates running for the Board of Directors.

Strengthening our business interests and profitability is the Aleut Corporation Board’s top priority. With increased shareholder communication and support, our corporation can continue to be the best it has ever been. We are interested in your ideas and concerns for the corporation. Please use the upcoming Annual Meeting or email to share your thoughts with us.

I look forward to talking with many of you at the Annual Meeting in October and throughout the year. Please feel free to contact me directly at whitealeut@aol.com.

Thank you.

Aang Aang! We’ve had a wonderful summer this year. With the return of fall, we turn our focus to the school year.

The Aleut Foundation Board of Directors is in the process of developing an endowment program for the Foundation. They have been working with a consultant and have adopted a new gift acceptance policy to address the potential types of donations that the Foundation might receive through this program. The Board will hold a work session in the next couple of months in hope of having this program in place before the end of the year.

The annual Aleut Picnic was held June 27 at the Aleut Corporation. We had beautiful weather and it was well attended (I even thought we might run out of hamburgers and hot dogs, but thankfully we didn’t). Some of the youth from the APIA Culture Camp performed a couple of Aleut dances.

The Aleut Foundation sponsored 18 people to attend the Culture Camps this summer. This is the most that have ever participated. In attendance were:

APIA Culture Camp – Anesia Kudrin, Dustin Newman, and Addison Schnabel
Sand Point Culture Camp – Breeze, Jazz and Safire Anderson, Vega Britt, Patrick, Grace, Logan and Brody Dushkin, Tess, Adin and Sari Williams
Unalaska Culture Camp – Alex Berikoff, Lauren and Rachel Denham
Atka Culture Camp – Molly Kudrin
This was the first year that a Culture Camp was held in Atka.

Aang Aleut Foundation,
My name is Rachel Denham.
Thank you for letting me come to Unalaska so I could participate in Camp Qungaayuk. I really enjoyed camp.

Here are some of the things I did: I learned how to make an ulu knife, I also made a mask, and I learned how to speak some of the Unangan language, and last, but not least, I learned 2 wonderful dances. I loved the camp and I loved Unalaska.

Thank you very much for helping me go to this amazing camp.

Thanks again,
Rachel Denham
Congratulations

The 2013-2014 school year scholarships were awarded in mid-August and we have been busy getting award letters and scholarship checks sent to recipients. Because of the increased funding from the Aleut Corporation this year, the Foundation was able to increase funding levels. TAF awarded $584,000 for the 2013-2014 school year!

Aleut Foundation,

I wish to thank you for the consideration and award of the Fall 2013 Scholarship. I am very blessed to have the opportunity to further my education and have the support of a great foundation such as The Aleut Foundation. Again, thank you for this wonderful opportunity!

Sarai Etheridge

Dear Aleut Foundation, Cynthia Lind and Board of Directors,

Thank you very much for your sponsorship and support by way of the Gabe Stepetin Business Scholarship award!

My best,

Tess Christiansen

“IT is hard to put into words how much I appreciate the scholarship. I thought I was dreaming when I saw the award. It pays for all of my remaining courses. The Aleut Foundation has opened many doors for me. I will always be grateful.

My plan is to be somebody my family and The Aleut Foundation can be proud of.”

Anna Emanoff

Howard David Berntsen, Sr. passed away July 2, 2013, in Kodiak, Alaska. Howard was born November 4, 1929, in Unga, Alaska to John (Ivan) & Maggie (Creevden) Berntsen, a Norwegian fisherman and Aleut midwife. Howard spent his childhood in Unga, then moved to Sand Point and married Martha Marie Bhear, where they settled and raised their family. He spent his final years in Kodiak with family. He always loved the island communities he lived in and spent his career on the fishing vessels Wonder, Tina, Kari, and finally Rita B. He was devoted to his family, an uncommonly kind man, a proud grandfather, and was never too busy to hold a baby or go for a skiff ride.

Howard was preceded in death by his wife Martha, his son Howard Junior and his parents John and Maggie Berntsen. He was also preceded in death by all of his brothers, Louis H Berntsen, Sr., Nick Berntsen, John Berntsen, Mickey Berntsen, Walter Berntsen, William (Billy) Berntsen, William Pavlof Berntsen, Arthur Berntsen and Henry J. Berntsen, and sisters, Dolly (Rose) Berntsen, Tillie Berntsen, Irene Berntsen, Ida Berntsen, Margaret Berntsen and Nora J. Berntsen.

He is survived by his children and stepchildren, Delores Stokes, Rita (Kevin) Cossey, Alfred (Jill) Bhear, and Robert (Judy) Pletnikoff, his beloved grand and great grandchildren; and many nieces and nephews.

He was loved as a husband, father and friend, and by many extended family. He will be missed.

Memory Eternal!

The Board of Directors and the staff of the Aleut Corporation would like to extend their sincere condolences to the families and friends of shareholders who have recently passed away.
