MESSAGE FROM THE PRESIDENT/CEO

Thomas Mack, President/CEO

It is hard to believe another year has flown by. This past year, the Aleut Corporation has continued to focus on our mission to maximize dividends and opportunities for our shareholders. We recently completed our strategic planning meeting with the Board of Directors. During this planning meeting, each of our seven subsidiaries presented information to the Board including their revenue, operating income and growth strategies. Each of our subsidiaries worked very hard to meet strong goals set at the beginning of FY18 which ended on March 31, 2018.

The main reason for the growth this year is due to an increase in subsidiary operations which drove up revenues, and increases in our natural resource income and investment earnings. The audited financial information for FY18 will be in the annual report provided to all shareholders at the end of August. I am very proud of the work our subsidiaries do each day, so we can meet the Board's goals and the Aleut Corporation's mission.

It was wonderful to see so many people at our shareholder meeting in San Diego. We had shareholders from California, Washington, Nevada, Arizona, Texas and Alaska in attendance. I look forward to connecting with shareholders and descendants throughout this year through TAC Talks, Village Visits, and at our annual picnic and our annual shareholder meeting in October.

This year the Board of Directors declared a \$10.00 per share dividend payable in July 2018. This is a 67% increase from last year. The Board also declared a \$1000 Elder's benefit to be paid this coming October to all voting shareholders 60 years and older as of March 31, 2018. Cumulative dividends declared since incorporation to date is roughly \$45.8M. So, a shareholder from inception to date would have received about \$119.60/share as of today. If you had 100 shares from inception to date, you would have received \$11,960 in regular dividends.

Our subsidiary companies are stabilized and in a good financial position, and the Board of Directors has adopted a financial goal of \$250M in revenue and \$25M in profit by 2022. We will grow organically and through future acquisitions to meet these financial goals. We are on our way to having a strong financial year for FY19 building on our successes from this past year.

Wishing you all a wonderful spring!

Thomas Mack

Thomas Mack, President/CEO

CHAIR REPORT

Sharon Guenther Lind, Chairman

Aang Shareholders:

Your board of directors has had a very productive and a very busy spring. The board held their annual planning session in San Diego this year and we were very pleased to see such a wonderful turnout by our shareholders.

You will find our board directives highlights within this newsletter. There are a few key items that I would like to point out to shareholders. As you are aware, the board has promoted Thomas Mack to the role of President/CEO of your corporation. This decision aligned with our now amended bylaws which say the top position at the Aleut Corporation shall be held by a voting shareholder of TAC or a descendant of a voting shareholder. This bylaw change was made official at the planning meeting in San Diego. Your board is committed to "growing our own" and we believe this change in our bylaws solidifies that commitment.

Some other items of note are, of course, your dividend amount (\$10 a share) and your Elder's distribution amount (\$1,000). The board approved the highest Elder benefit in the history of our corporation. I should also note, we believe the Aleut Corporation has the youngest age requirement for our Elder's benefit at 60 years of age to receive distributions.

Another notable item is that at this meeting our annual budget was approved. The board worked with our subsidiaries reviewing and approving revenue projections and capital expenditures. This year we also made increases in contributions to our scholarship program through The Aleut Foundation and to the Aleutian Pribilof Islands Association's (APIA) Aleut language preservation program. Additionally, the board increased funding to the burial assistance program whereby shareholders and descendants receive funding to cover funeral costs. We are now providing \$3,000 to each applicant in this program which is administered by The Aleut Foundation.

Spring is finally arriving in Anchorage, Alaska and it is truly a welcome sight this year! We now have over 13 hours of sunlight and we look forward to the summer's midnight sun. On behalf of your board of directors I would like to wish you all a wonderful spring.

Sharon Lind

KEY BOARD ACTIONS

- Directed the Shareholder Affairs Committee to review Personnel Policy 701.4 Shareholder Hire Preference Program.
- Approved the 2018 Annual Meeting theme, "Navigating the Current", Annual Meeting Rules and TAC Shareholder Affairs Calendar. Also approved the location for the 2019 Annual meeting at the Egan Convention Center.
- Approved revisions to the Board Policies: housekeeping items on title changes, namely the change of the combined President/CEO position. Also made a significant change to Board policy's 203.3 and 203.7: the exclusion of hire of any TAC board member at TAC or any TAC subsidiary.
- Directed the Policy Committee to review Policy on Corporate Line of Authority.
- Approved Bylaw changes: changing the meeting notice time requirement for the board for notice of special meetings from 72 hours to 24 hours. Also changed the bylaws to reflect the new direction for TAC leadership - stating that President/CEO shall be a Voting Shareholder or a descendant.
- Approved a 2018 Shareholder Dividend for \$10 a share to be paid in July 2018 and an Elders Distribution of \$1,000 to be paid in October 2018.
- Approved a donation to fund APIA's Culture Heritage Partnership Program \$25,000 each year for 4 years.
- Approved the FY19 TAC budget.
- Approved a Corporate Compensation Philosophy and a Performance Based Incentive Program.
- Directed the Policy Committee to explore different programs for advisory board member seats.
- Directed Management to do a SWOT analysis on our fuel operations in Cold Bay.
- Directed Management to work with the Lands Committee to review the plan/recommendations provided by our subsidiary ARS regarding the Bayshore housing on Adak.

SAN DIEGO SHAREHOLDER MEETING MARCH 17, 2018

TAC IN BUSINESS:

PATRICK MECHANICAL LLC

ALASKA NATIVE CORPORATION
SMALL DISADVANTAGED BUSINESS

COMPANY:

Patrick Mechanical LLC
(PMI)

EMPLOYEES: 30 to 60

LOCATION: Fairbanks

SERVICES:

Construction and maintenance of mechanical systems – plumbing, heating, ventilation and controls – for major institutional and industrial facilities in Interior Alaska.

ONE OF OUR PROJECTS: Construction of the University of Alaska Fairbanks (UAF) Combined Heat and Power Plant (CHPP) was started in 2016 and is nearly complete. This plant will provide heat and power to the entire UAF campus. Our staff assisted with the design and construction from start to finish, through hot summers and very cold winters.

COOL FACT: Did you know Mel Weeks started working for PMI in 1996 as an Apprentice Plumber & Pipefitter? In 2013, he was promoted to Project Manager and by the end of 2014 he was promoted to President. Many of the PMI Project Managers earned their wings in the field, bringing hands-on experience to the office and contributing to PMI's success over the years.

Did you also know that the purchase of PMI has produced the highest rate of return of any investment ever made by the Aleut Corporation? Since 2011, PMI has produced an internal rate of return of 40% and transferred millions to the TAC coffers.

WELCOMING OUR NEWEST TAC EMPLOYEES

MONICA JAMES CHIEF OPERATING OFFICER

Monica James is Yupik Eskimo originally from the Yukon River village of Alakanuk and grew up in Bethel. She was a commercial fish buyer on the Kuskokwim River, earned a bachelor's degree in accounting at the University of Alaska, and for the last seven years has served in multiple roles at the Calista Corporation, including her most recent position as the Chief Operating Officer. Prior to this role, she was Yulista Holding LLC's (YHL) President for three years, overseeing multiple subsidiaries providing services as Federal Contractors. In addition to her experience at Calista Corporation, Monica served as the Vice President of Business Operations and Administration for Alaska Aerospace, which owns and operates the Pacific Spaceport Complex serving both commercial and military suborbital and orbital launch vehicles. Monica is enthusiastic about joining the Aleut team.

LISA HUFFMAN CHIEF ADMINISTRATIVE OFFICER

Lisa is a life-long Alaskan and CIRI descendent belonging to the Kenaitze Indian Tribe, born at the Alaska Native Medical Center in Anchorage and raised in Fairbanks. Some of her fondest memories growing up are of hunting, fishing and camping with her family. Lisa attended the University of Alaska Anchorage, graduating with a Bachelor's degree in Elementary Education in 1991 and a Master's in Administration in 1998. She taught in both the Anchorage School District and Fairbanks North Star Borough School Districts for 19 years before working as an administrator in the Anchorage School District for 8 years. As an administrator, she oversaw all operations at the largest elementary school in the state. Lisa and her husband James have two boys, 19-year old Jared and 16-year old Caleb. She is excited to join the Aleut team.

CONDOLENCES

The board of directors and the staff of the Aleut Corporation would like to extend our sincere condolences to the families and friends of shareholders who have recently passed away. *Memory Eternal.*

SHAREHOLDER INFORMATION

UNSETTLED ESTATES

The Aleut Corporation has an escheatment policy which states: In the event that a shareholder dies without a will and without heirs, intestacy laws dictate the escheatment of their shares. The decision to escheat shares to TAC will result in the cancellation of those shares and reduce the number of outstanding shares.

- Pre-Escheatment steps include due diligence efforts to include:
- (a) searching shareholder records to determine potential relatives,
 - (b) checking any court filings related to the death or related probate proceeding,
 - (c) obtaining a birth and death certificate for the deceased and other relevant public documents,
 - (d) contacting any potential heirs at their last known addresses,
 - (e) contacting known friends or acquaintances of the deceased that the company believes may possess information concerning potential heirs, and
 - (f) publishing a statement in the shareholder newsletter naming the deceased and inviting interested parties with information to contact TAC.

The Aleut Corporation works hard to process the transfer of shares of all deceased shareholders accurately and respectfully. On that front, please take the time to help us locate information or possible heirs to the following deceased shareholders listed with their known date of death:

Agrippina Borenin	9/3/1994	Agnes Louise Middleton	8/15/1997
Mekey Edwin Borenin	9/19/1994	Gary G. Moore	3/21/1992

DID YOU KNOW...

Elder Distributions are paid out to voting shareholders who have turned 60 years of age or older by the end of the fiscal year (March 31st) in which that distribution was declared. This year the board of directors declared a record Elder Distribution of \$1,000 for each eligible shareholder. This year's distribution will take place in October.

The shareholder department has received questions about why some shareholders receive a check made out to the "Estate of (deceased shareholder)". If an Elder passes before the payout in October/November, the Aleut Corporation is required to pay out that Elder distribution to the deceased shareholder's estate.

TAC's procedure when a shareholder passes before an Elder check is distributed:

- Make check payable to the estate of (deceased Elder shareholder) and mail to last known address.
- If the check is returned, contact the family of deceased shareholder to determine if an estate was opened for the deceased shareholder.
- If a legal representative is named, send the estate of (deceased Elder shareholder) check to the legal representative.

· If no estate has been opened, determine whether the deceased shareholder had a will separate from the stock will

· If no estate has been opened and no will exists, the elder distribution will be distributed according to their TAC stock will or Alaska state laws of intestate succession.

If you have any questions, please contact the shareholder department for more information.

BOARD OF DIRECTORS NOMINATING PACKETS ARE AVAILABLE

The Aleut Corporation Board of Directors consists of nine members. Three seats are up for re-election at the 2018 Annual Meeting on October 13. In order to hold a position on the board, you must be a voting Aleut Corporation shareholder and at least 18 years of age. Each elected director's term of office is three years.

To run for one of the director seats, please call the corporate office or stop by to request a nominee packet. The packet requires ten (10) Aleut Corporation shareholders' signatures as part of the nominating petition. Candidates are not allowed to use the Aleut Corporation logo for any of their campaign material or ask Aleut Corporation staff to obtain signatures on the petition. Candidates are also responsible for filing with the State of Alaska Banking and Securities department any campaign letters, fliers, or postings on social media during their campaign for TAC Board of Directors.

NOMINEE SUBMISSIONS DEADLINE: FRIDAY, JUNE 29, 5 P.M. ALASKA STANDARD TIME

Nomination packets received after the deadline will not be included on the 2018 Aleut Corporation proxy form.

NEW DEVELOPMENT DIRECTOR

TAF now has a new Development Director, Luke Stowe, who began working for the Foundation on January 22nd. Luke was born in Juneau to Linwood and Maria (Philemonof) Stowe and grew up in Anchorage. He holds a Bachelor of Business Administration in Economics and Associate of Applied Science degrees in Automotive Technology and Heavy-Duty Transportation and Equipment from the University of Alaska Anchorage. Luke is a graduate of the TDX Corporation ASSET Management Training program and serves as Vice President on the TDX board of directors. A lifelong learner, he will pursue an MBA beginning this fall.

"I joined The Aleut Foundation as Development Director because it's an opportunity to give back to the community which has given so generously to our people. My education is a direct result of the support provided by TAF and other Aleut organizations. Over the next year I will be reaching out to community leaders, stakeholders in the region, and you as Aleut shareholders and descendants to invite you to learn more about The Aleut Foundation and contribute to our mission of enhancing the life and culture of the Aleut people."

- Luke Stowe

THE ALEUT FOUNDATION UPDATE MARCH 2018

By: Cynthia Lind, Executive Director

Aang! Happy Spring! I love this time of the year because it's a new season coming back to life after a long winter. Don't get me wrong, it was a great winter and I enjoyed the wintertime activities, but now it's time to welcome spring and begin gearing up for the summer programs here at the Foundation. We have been busy getting the 2018 Spring Scholarships out and gearing up for both the 2018 Summer and 2018-2019 Scholarship Applications.

We would like to thank The Aleut Corporation for providing \$1.5M to the Foundation for this upcoming fiscal year! This generous donation will help increase funding for the programs we offer.

In February, TAF participated in the University of Alaska Anchorage Native Student Services Scholarship and Internship Fair at the Student Union. We had a great time meeting current and future TAF recipients. Thank you to Hunter Johnson, Victoria Treder, and others who stopped by our table! The UAA NSS holds this fair each year and hopefully next year we will have high school students who live in the area participate and learn about our programs.

I traveled to San Diego at the beginning of March and provided presentations on The Aleut Foundation Programs at the Aleut Corporation Shareholder Informational Meeting. There were questions with regards to the culture programs held in Anchorage and throughout the Aleut region. The cultural camp programs are exciting for the younger generation to attend because they can learn more about their culture and heritage from their elders. They learn about the Aleut history, language, arts and crafts, dances, etc. This is a wonderful way to preserve and carry on our Aleut heritage, culture, and traditions. It was great to see current TAF recipient Laura Blankenship at the meeting.

Laura Blankenship

UNANGAX RHODES SCHOLAR SAMANTHA MACK

Samantha Mack is the daughter of Calvin and Frankie Mack originally from King Cove and is the first student from the University of Alaska to receive the prestigious U.S. Rhodes Scholarship. Samantha received her B.A. magna cum laude in 2016, with majors in Political Science and English and a minor in Alaska Native Studies. She will receive her M.A. in English with an emphasis on Literary Theory this May. Samantha is one of 32 students selected for the American Rhodes Scholar Class of 2018 that will commence studies at the University of Oxford this October. She was selected from a pool of 866 candidates nominated by their colleges and universities. She plans to pursue an M.Phil. in Political Theory at Oxford.

Congratulations Sam!!!! We are so proud of you and wish you the best!!!!

HELPING IN GROWING OUR OWN

TAF Scholarship Recipient Sasha Bingaman attended the University of Missouri-Kansas City with a passion for art. It all started from coloring books and finger painting which led to intense independent art classes in high school and left her with a desire to create! Sasha was the recipient of the 2016 Andrew Gronholdt Arts Special Honors Scholarship.

*Dear Aleut Foundation,
I'm proud to say that in December 2017 I obtained my Bachelor of Arts in Studio Arts with an emphasis in Photography and Graphic Design from the University of Missouri-Kansas City. This was a huge goal for me and I could not have done it without your support. So, Thank You! I am very excited to see what opportunities will come my way!*
Sincerely,
Sasha Bingaman
