BOARD SPOTLIGHT - DEBI SCHMIT

TAC Director Debi Schmit has sat on the Board for 6 years. Learn about her time growing up in King Cove, and what she thinks the future holds for The Aleut Corporation.

MESSAGE FROM THE PRESIDENT & CEO

Greetings Fellow Shareholders,

I hope this Spring newsletter finds you and your loved ones well. I want to start by congratulating all those who are graduating this school year. We are in unique times that require us to follow unique guidelines regarding public events. Whether you are able to walk across the stage to receive your diploma or not, we at The Aleut Corporation are proud of you and hope you are as well!

The health, safety, and welfare of our shareholders, descendants, and employees continue to be a top priority during these unparalleled times. We are taking actions to mitigate risks associated with the Coronavirus (COVID-19) pandemic and protect our Corporation and subsidiaries so that we remain profitable, employees are safe, and shareholders are kept informed. Although we have temporarily closed our Corporate headquarters following CDC, State and Local guidance, our staff continues to work remotely.

Unfortunately, I will not be traveling to the Aleut Region this coming summer to hold shareholder informational meetings due to COVID-19. I will miss seeing and visiting with the many shareholders and descendants in our amazing communities, but I will plan to do the visits and meetings next year.

In March, we held our regularly scheduled Annual Operational Plan &

Budget Review Meeting, and Quarterly Board Meeting via WebEx after canceling all non-essential travel due to COVID-19. Our subsidiaries presented their Annual Operational Plans and Budgets to the Board and we conducted our regularly-scheduled TAC business and board meeting with the following outcomes, which I noted in an earlier message:

- The Board of Directors approved a shareholder dividend of \$8 per share.
- The Board of Directors approved an Elders Benefit of \$1,000 to be paid in October.
- The Board approved the FY21 Aleut Corporation Budget, including operating budget and capital budget.

Other actions taken by the Board are outlined in the "Key Board Actions" section of this newsletter. I would like to highlight the following:

- 2020 Dividends: As I've mentioned previously, TAC will be paying out the \$8 per share dividend to shareholders in two separate, equal installments of \$4 each to help alleviate some of the financial burden during these difficult times due to the COVID-19. The first installment will be paid in April and the second installment in July.

- 7(j) Benefit Payouts: TAC will also expedite the payout of 7(j) payments to

our At-Large shareholders and Village Corporations in April to make monetary resources readily available during these turbulent times.

We are all feeling the effects of the COVID-19 pandemic. Please continue to follow recommendations from the CDC, such as consistently and properly washing your hands, avoiding unnecessary travel, and practicing social distancing. Take care of yourselves and your loved ones during these challenging times because together we are stronger. *Ataqan Akun! We are one!*

Warmest regards,

Thomas Mack

President & CEO

BOARD CHAIR REPORT

Greetings Shareholders,

First of all, I want to extend my thoughts and prayers for those who are struggling during these unsettling times. No area is immune to this dilemma we find ourselves in and that includes every part of Alaska. I want to assure you that the Board is keeping a close eye on TAC operations during this time. Our concerns also extend to our shareholders and staff all across Alaska and the United States.

The Aleut Corporation moved our annual budget meeting to an online platform in March. At that meeting the Board approved our FY21 budget and discussed crisis management in these difficult times ahead. Be assured that your Board and management team is focused on this ongoing threat in addition to the well-being of our people. Watch our online media platforms for communications from The Aleut Corporation. Also, stay connected through social media; interaction is more important now than ever before!

The Board has approved an early dividend in April in addition to the early payout of this year's at-large distribution. A second dividend will go out in July. Elder Benefits are as scheduled in October. As this situation progresses your Board remains focused on our shareholders, staff, and TAC operations and assets. On behalf of your Board, please stay safe and follow the recommendations of the CDC as we travel through this unprecedented situation. What I know for sure, our people are known for overcoming the most difficult trials and tribulations. Let's work together to overcome this hardship, just as we have done so for generations. God Bless and keep you and your family.

Sincerely,

Sharon Guenther Lind, Ph.D.

Sharon Lind

Chairman of the Board

REAL ID: WHAT YOU NEED TO KNOW

DEADLINE POSTPONED TO OCTOBER 1, 2021

Passed by Congress in 2005, the REAL ID Act enacted the 9/11 Commission's recommendation that the federal government "set standards for the issuance of sources of identification, such as driver's licenses". The Act established requirements for state-issued driver's licenses and identification (ID) cards and prohibits federal agencies from accepting licenses and ID cards from states that do not meet the requirements.

Due to the ongoing COVID-19 pandemic, President Trump has postponed the deadline for REAL ID compliance to October 1, 2021. As we continue to feel the impacts of COVID-19, forcing people to acquire a REAL ID-compliant license with so many other priorities would amount to an undue burden at this time.

Eventually, Alaska residents will need to present a federally compliant ID for boarding commercial aircrafts, for accessing Federal facilities, and entering nuclear power plants.

WHAT IS A FEDERALLY COMPLIANT ID? DO I HAVE OPTIONS?

Yes, you have options! The Alaska REAL ID driver's license ID card is one of many options you can use to meet federal requirements. TSA provides a full list of acceptable ID cards

on their website at: <https://www.tsa.gov/travel/security-screening/identification>. Some common forms of acceptable IDs are:

- US Passport or US Passport Card
- Tribal ID, with a photo
- Military and Veteran IDs
- Trusted Traveler Cards, e.g. CLEAR

DOES MY CHILD NEED A FEDERALLY COMPLIANT ID?

No, minors under age 18 will not need a federally compliant ID.

IS IT MANDATORY I OBTAIN A REAL ID CREDENTIAL FROM MY STATE DMV?

No, the Alaska REAL ID is not mandatory. However, if you want one, the federal government requires you to apply in person and bring the original documents required.

Alaska Real ID  Got Yours?

SHAREHOLDER CORNER

BOARD OF DIRECTORS NOMINEE PACKETS ARE AVAILABLE

The Aleut Corporation Board of Directors consists of nine members. Three seats are up for re-election at the 2020 Annual Meeting on October 10. In order to hold a position on the Board, you must be a voting Aleut Corporation shareholder and at least 18 years of age. Each elected director's term of office is three years.

To run for one of the director seats, please call the Corporate office to request a nominee packet. The packet requires ten (10) Aleut Corporation shareholders' signatures as part of the nominating petition. Candidates are not allowed to use The Aleut Corporation logo for any of their campaign materials or ask Aleut Corporation staff to obtain signatures on the petition. Candidates are also responsible for filing with the State of Alaska Banking and Securities department any campaign letters, fliers, or postings on social media during their campaign for TAC Board of Directors.

DEADLINE FOR NOMINEE SUBMISSIONS IS 5 P.M., ALASKA STANDARD TIME, ON FRIDAY, JUNE 23.

Nomination Packets received after the deadline will not be included on the 2020 Aleut Corporation proxy form.

DIRECT DEPOSIT RECIPIENTS

The first installment of the shareholder dividend and the 7(j) distributions will be paid in April. In an effort to be more environmentally responsible, TAC will email all direct deposit statements to shareholders with an email on file. Eliminating mailing of direct deposit statements will also reduce costs of printing and postage expenses. The dividend and distribution amounts are always accessible through the shareholder portal and will be available to print upon request. With the Municipal mandate to hunker down, TAC staff will work diligently and safely to get checks mailed by the third week of April. Please email the Shareholder Department if you have any questions at records@aleutcorp.com.

TAC BOARD SPOTLIGHT DEBI SCHMIT

EDUCATION:

Associate's Degree in Office Occupations, Bachelor's Degree in Business Administration, and Executive Masters of Business Administration degree pending June 2020.

BOARD POSITIONS HELD: Secretary & Treasurer; Policy Committee Chair; and Committee member on Budget & Finance, Lands & Resources, Shareholder Affairs, and Fisheries committees.

OCCUPATION & CAREER HIGHLIGHTS: Career highlights include 3 years in business and governance consulting, 26 years of business development and operations, 10 years of local government management, as well as several elected and appointed positions.

YEARS ON THE BOARD: 6

WHY DID YOU WANT TO SERVE ON THE TAC BOARD OF DIRECTORS?

I have a passion for business. My strengths include risk management, top-down analysis of companies, and strategic planning focused on implementing efficient and effective operating systems. I see myself as a change agent with a healthy appetite for agility in the business environment. I am serving on the TAC Board to utilize my strengths and work hard toward ensuring our Corporation is a top performer, and we have critical infrastructure and processes to attain our corporate goals.

When I reflect on my childhood in King Cove and my young adulthood in Pedro Bay, I have always had an entrepreneurial spirit. I am struck daily by how much opportunity there is in rural Alaska. As an 8th grader, I sold records, which later transitioned into owning and operating a store in Pedro Bay. In addition, I joined the University of Alaska's Rural Development program as one of its first students. Rural Alaska is where I advanced my career in government to the position of City Administrator, and I later worked as an Assistant City Manager in Oregon. There are not many places I know of where you can get this kind of experience and advancement if you are willing to work hard.

In 2014, when I was first elected to the TAC Board, I worked hard to use my organizational and operations experience to help with planning and goal setting of the corporation. My business experience helped bring accountability and growth to our family of companies. In 2014, TAC was beginning to set up the planning process, which today we use to create long-term goals for the corporation and its subsidiaries. I am very proud of my role in this effort.

WHY IS DESCENDANT REGISTRATION SO IMPORTANT?

A goal of our board is to increase the number of registered descendants. As an original shareholder, I feel the Alaska Native Corporations (ANCs) today are not reflective of who we are. The degrees of separation when it comes to us as Alaska Native people are minimal. We are all related directly and indirectly. This is one of the beautiful aspects of the ANCs; we are connected. Our sense of family connection and wholeness is a direct value of our Corporation.

With increased descendant registration, we can continue to protect the essence of our Corporation and continue to provide dividends, scholarships, and, more importantly, a sense of connection and belonging.

WHAT DO YOU WANT THE FUTURE OF THE CORPORATION TO LOOK LIKE?

ANCs are unique in the global economy. The ANCs are for-profit businesses charged with balancing land protection with profitable services and creating benefits for their shareholders (dividends, scholarships, etc.). A conventional corporation stockholder prefers to grow the value of their stock verses to receive a dividend. ANC shareholders rightfully prefer dividends and benefits because the value of its stock has a different meaning. ANC shareholders can increase shareholder equity but cannot sell their stock as non-native corporations can, thus why conventional corporation stockholders prioritize growth.

In 50 years, I want our shareholders to be thriving. I want to be a multi-billion dollar corporation that pays meaningful dividends, provides family-wage jobs to our well-educated shareholders, and assists with benefits at a higher level than we are able to today.

THE ALEUT FOUNDATION UPDATE, APRIL 2020

ALASKA NATIVE VIETNAM ERA VETERANS LAND ALLOTMENT

Many questions have arisen concerning the new Alaska Native Vietnam Era Veterans Land Allotment Section (Sect. 1119) of the John D. Dingell, Jr. Conservation, Management, and Recreation Act (Dingell Act). Here's what you need to know:

WHAT IS IT?

The Alaska Native Veterans Program of 2019 will provide the opportunity for eligible Vietnam-era veterans or their heirs to select a 2.5- to 160-acre allotment of Federal land in Alaska.

Before applications can be accepted by the Bureau of Land Management (BLM), the new law requires that within 180 days of enactment, the Department of Defense, in coordination with the Department of Veterans Affairs, prepare a list of potential applicants based on their service dates. The Bureau of Indian Affairs (BIA) will then use the list to identify the potential applicants based on their Native heritage. Last, BLM will review the list for those who have already received allotments. Only those qualified individuals who have not previously received an allotment are eligible under Public Law 116-9.

The Department of the Interior and the Department of Veterans Affairs will conduct outreach to the eligible individuals. Alaska Native Vietnam Era Veterans do not need to apply immediately for their allotment. Once BLM has worked through all of the processes, Alaska Native Veterans who served during the Vietnam Era will be notified to apply.

While that is being done, the BLM, with input from other agencies, potential applicants, and the general public, will draft the regulations that will guide the program and identify public lands that will be available for allotment within 18 months.

The application period will open when the regulations become effective. The Department of the Interior will provide assistance in applying for allotments. Applicants will have five years from the date the regulations become effective to apply for an allotment.

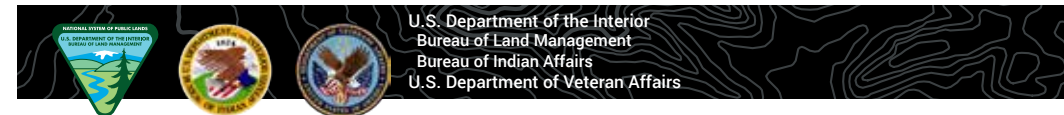

WHAT CAN I DO NOW?

If you believe that you are eligible under Section 1119 of the Dingell Act (i.e., you are an Alaska Native Vietnam era veteran who served between Aug. 5, 1964 and Dec. 31, 1971, or a descendant of one), you are encouraged to update your address with the BIA and VA. You can also double-check with each agency whether you are listed in their databases as meeting the definition for Alaska Native or Vietnam-era veteran respectively.

In order to help the process proceed smoothly, please ensure that your tribal entity and the BIA has your current mailing address.

- Contact Bureau of Indian Affairs to verify your information is current: (907) 271-1743 (current number while BIA is in telework status)
- To obtain copies of DD 214/215/NGB22 and other personnel records, visit: <http://veterans.alaska.gov/Records-Documents>

LAND ALLOTMENT TIMELINE

Are you an Alaska Native Vietnam era veteran who served between Aug. 5, 1964 and Dec. 31, 1971 or a descendant of one?

The John D. Dingell, Jr. Conservation, Management, and Recreation Act (Public Law 116-9) passed on March 12, 2019. This act provided for Alaska Native Vietnam era veterans who served between **Aug 5, 1964 and Dec 31, 1971** to receive a land allotment.

THE 2020 CENSUS

How To Respond

While Census field operations are on hold until at least April 1 due to the COVID-19 pandemic, it's even more important for Alaskans to respond to the Census from home. The 2020 Census will ask a few simple questions about you and everyone who is or will be living with you on April 1, 2020. For the first time, you can choose to complete the census online, by phone, or by mail. Find out more about each of these methods below:

- **Online Response:** Please note that if you are responding online, you must complete the census in one sitting, as you don't have the ability to save your progress. <https://2020census.gov/en/ways-to-respond/responding-online>
- **Phone Response:** You have the option of completing the questionnaire by phone. To begin, call 844-330-2020. <https://2020census.gov/en/ways-to-respond/responding-by-phone>
- **Paper (Mail) Response Guide:** Visit my2020census.gov or call (844) 330-2020.

Help your community by staying home and ensuring critical resources for the future.

CALL FOR PHOTOS!

Whether it's hunkering down with family during COVID-19, or reminiscing about the past, we always love to see what the members of the Aleut Family are up to. TAC is looking for photo submission from shareholders and descendants from all locations over the next several months to share via social media and the Aleutian Current!

We will do one monthly drawing of \$50 until July 31st. First drawing will be April 30.

Drawings: April 30, May 31, and June 30

PHOTOS IDEAS INCLUDE:

- Wearing Aleut bentwood visors
- Grandkids with grandparents
- "Hunkering Down" at home with family
- People and places in the Aleut Region
- People performing cultural activities

Please continue to follow social distancing and all COVID-19 guidelines to keep you and your family safe.
